Jesus said to them, *“Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.”*
Mark 10:14

Our children are a blessing, a heritage from the Lord! With that blessing, also comes great responsibility. *God has entrusted them to us*, and we want to raise them up to be mighty men and women of God someday; and to be mighty boys and girls for God today! Our heart's desire is that each of these children will know, love, and grow in Jesus personally! We not only want to teach them the **stories of the Bible but also what it looks like to live for Jesus**, applying God's Word in their own lives.

Classes are currently offered **during the adult service** for children age **nine months through eighth grade on Sunday mornings**. We would love to see ministry to our children expanded in other areas, such as vacation Bible School, Bible memory, and projects and programs of various types.
