**ENGLISH LAKE**  
Church

English Lake Church Men's Meeting is a **bi-monthly** meeting of married and single men. We hope to provide an environment of community and accountability. This means that we want to develop relationships with each other that go beyond a 2-hour meeting every other week. *We want deep relationships that are encouraging yet also challenging us to grow.* We want to help each other hear from God and actually follow through and do what He wants us to do.

The time we spend together is usually two-fold. We meet in each other's homes and share a meal and fellowship together. We also then spend time in a Biblical study together: either a book of the Bible or a topical book that helps us in our walk with God. The interaction together as we fellowship, share, and study is always encouraging and helpful!

We'd love to have you join us!
