supporting the ministry
of the Front Room, you
can volunteer to clean
or donate money, food,
or paper supplies.

ENGLISH LAKE
Church

The Front Room was birthed from a desire for a space where many could gather to hear and feel the love of God without stepping into a church building.

The Front Room gives multiple people and groups a *space to do life and community together* with events such as Bible studies, youth ministries, bridal and baby showers, Overcomers Anonymous, summer Bible School, family Thanksgivings, exchange student programs, sports awards nights, prayer room, foster care meetings, etc. **Its purpose is to provide a place for God to move and work in North Judson.** So as God leads you to engage this community in a missional way, remember you not only have a church family that can do it with you, but also a space to do so.
